vacation  
days  
left?

Here at the New York Summer Conference, we know that the *Career* folks have different needs from the college and youth. And we know that time (especially vacation time) is precious. In our effort to make this conference more relevant/worthwhile for you to come, we've made (and are making) the following changes:

- ★ **FOCUSED WORKSHOPS!**  
More workshops that focus on relevant topics for career folks.
- ★ **MORE PLACES TO HANGOUT!**  
Common areas will be provided to foster a sense of community amongst the career group. There will be organized fellowship activities during meals and free time.
- ★ **MORE PRIVACY!**  
Living accommodations separate from youth and college students.
- ★ **NO CURFEW!**  
There will be no conference-imposed *curfew* for career folks.

*...BUT WAIT, THERE'S MORE!*

- ★ **NO EXTRA DAY?**  
Can't take off an extra day to come to our conference full time?  
*You'll only need to take off Friday, July 1st. Conference begins after work on Thursday night, June 30th (and Monday, July 4th is a holiday), or just join us for the long weekend!*
- ★ **NOT SURE?**  
Not sure if it's worth wasting a precious vacation day on the conference?  
*Drop by for a day and check it out. Pay our daily fee to attend on site (up to 2 days). We're convinced you will be blessed.*

### **More Than Words**

"For the word of God is living and active. Sharper than any double-edged sword, it penetrates even to dividing soul and spirit, joints and marrow; it judges the thoughts and attitudes of the heart. Nothing in all creation is hidden from God's sight. Everything is uncovered and laid bare before the eyes of him to whom we must give account."

Hebrews 4: 12-13
